GMC to Precert MRI Patient?  YES  NO

**\*If yes, copy of insurance card & clinical documentation must be sent with order\***

**Patient Preparation Instructions For Exams:**

Due to the nature of your appointment, children will not be allowed in the exam room.

**Procedure Instructions:**

For your comfort, please wear two piece clothing.

Please do not wear powder, perfume, lotion or deodorant in the breast or underarm area. This interferes with the quality of your images.

**Please be sure to bring previous mammogram images/reports from other healthcare facilities. We will need them for comparison.**

Tests should only be ordered that are medically necessary for the diagnosis, symptoms, and/or treatment. The patient may be billed for test(s) that are not deemed medically necessary by payors. The procedure will NOT be performed in the absence of the completed form including the appropriate diagnosis and/or ICD 9 code supporting the ordered procedure. Ordering physicians are responsible for the accuracy of the information provided. **Patients must bring this order on the date of service.**
